

Application Statement to become a member of the International Safe Community Network

—Xin'an Sub-district, Wuxi, Jiangsu Province, P.R. China

May 10, 2012

WHO Collaborating Center on Community Safety Promotion:

Wuxi (Taihu) International Tec-Park (Xin'an Sub-district) of Wuxi New District, is located at southeast of Wuxi City, the Beijing-Hangzhou Grand Canal runs through here and Taihu Lake lies the south, with an area of 22.4 square kilometers. The first, second and third community of Xin'an Garden located here. The sub-district population is 38,255.

In January 2010, the T-Park Administrative Committee issued a notice that "Implementation Opinions of Wuxi (Taihu) International Tec-Park (Xin'an Sub-district) to build a national "safe community" ". And then they started the International Safe Community and National Safe Community building. They established a full coverage, covering a wide range and all community people, cross-sector organization, that is T-Park (Xin'an Sub-district) Safe Community Working Committee. In 2010, based on the community injury surveillances, aimed at community injuries and risks, we set up Traffic Safety, Fire Safety, Workplace Safety, Home Safety, School Safety, Water Safety, Public place Security, Disaster preparedness and response and environment safety 8 working groups. The working groups aiming at high risks groups and environments sustained promoting the programs. In 2012, T-Park (Xin'an Sub-district) get through National Safety Community site visit which organized by COSHA and was named as "National Safe Community" in May, 2012.

From 2010 to 2012, the total accidents in the area make a average annual decline of 8%. And the community established a long-term, sustained, covering the different gender, age, and environments and the status mechanism of injury prevention.

We are committed to uphold international safe community indicators, ongoing develop SP/IP program, and actively participate in the international safe community exchanges, sharing the experience and improve together.

Yours Sincerely!

Mr. Xu Yongjian
